TECHNOLOGY PROGRAMS

DIGITAL PAINT: Virtual Painting with Tilt Brush
Explore what Virtual Reality (VR) is, see how experts are creating art online and find out how the technology is used. Every booking has the option to experience the digital painting tool, Tilt Brush.

THE LEARN SERIES:
PC: Basic Computers, Internet and Email
One session per week over three consecutive weeks. Discover the basics of computers, understand how to use an internet browser, explore the internet, set up an email account and send emails with attachments.

SOCIAL: Facebook, Blogging and Skype
One session per week over three consecutive weeks. Learn how to share your thoughts and photos using Facebook, create your own website or blog and stay in touch with friends and family online using Skype. Basic computer skills and an email address required.

TECH SELF-ED: Basic
Help yourself and get introduced to tech self-education. Discover free online courses to help you build skills across a wide range of topics. See what the library website has to offer. Single session. No computer experience required.

TECH SAVVY SENIORS:
Talking up a Steam
Email, messaging, social media and other tools to get you chatting with friends and family all over the planet. Presented in partnership with SeniorNet Ipswich.
